## Property Policy

- Guests are typically required to make a 21% advance payment at the time of the booking (unless otherwise specified for certain periods). For reservations made with a partial advance payment, the remaining balance must be settled upon arrival at the property during check-in.
- Our standard check-in time is 1 PM and the standard check-out time is 10 AM. Early check-in and late check-out requests are subject to availability, and may also attract an additional fee at the property's discretion.
- We strictly DO NOT allow a group of more than 8 people. In case of a group of 3 or more, you might be purposefully allotted different dorm rooms. Further, if the group behaviour is deemed unfit at the property, the Zostel Property Manager, upon subjective evaluation, retains the full right to take required action which may also result in an on-spot cancellation without refunds.
- Children below 18 years of age are not permitted entry/stay at any of our hostels, with or without guardians. We do not recommend families.
- We only accept a government ID as valid identification proof. No local IDs shall be accepted at the time of check-in.
- Guests are not permitted to bring outsiders inside the hostel campus.
- We believe in self-help and do not provide luggage assistance or room services.
- Alcohol consumption is permitted at the premises as per the property's discretion and local laws. Outside alcohol consumption is not allowed in dorm rooms, bar, restaurant, and other common areas. However, it can be consumed in private rooms only.
- Right to admission reserved.

**Note :** Due to a recent landslide, the approach road to the property is temporarily closed. Guests will need to walk about 1 km from the drop-off point. Our on-ground team will assist with luggage and guide guests to the property.

Roadside parking is available, but it will be parked at the owner's risk.
